Somerville, MA: 7 May 2007

Arrowstreet has been named one of the Top Winners of Green Awards by Architect magazine. The list of the sustainable design awards received by Arrowstreet for their work on the Artists for Humanity EpiCenter includes the following:

- American Institute of Architects Committee on the Environment (AIA/COTE)
Top Ten Green Projects, 2007
- American Institute of Architects - New Hampshire Chapter
Integrated Design/Development Excellence in Sustainable Design, 2006
- American Institute of Architects - Boston and New York Chapters
Award for Sustainable Design, 2005
- Sustainable Buildings Industry Council
Exemplary Sustainable Building Awards Second Place, 2005

The Top Winners were based on a summary of projects recognized in the "Sustainable/Green Design" awards section of the DesignIntelligence Almanac of Architecture & Design from 2004 to 2007.

Arrowstreet is a multidisciplinary design firm based in Somerville, MA. Since 1961, the firm's designs have been based on a unique approach: look beyond traditional architectural and planning concerns into the underlying political, economic, and social issues which affect the success of a project.
