Somerville, MA: April 1, 2010

Arrowstreet is pleased to announce that the White Elephant Hotel Residences in Nantucket was honored with an Award for Design from the Boston Society of Architects and AIA New York.

As an expansion of the acclaimed White Elephant resort in Nantucket, Arrowstreet designed privately-owned vacation residences, full-service spa, fitness center, meeting space, a restaurant, and a lounge at this classic island resort. The new shingle-style, gambrel-roofed buildings are carefully detailed to blend with the renovated older buildings, while the older buildings are being updated to luxury resort standards yet still preserving their historic character. The project is anticipating LEED certification after subsequent phases are complete.

Arrowstreet is a multidisciplinary design firm providing architecture, planning, interior design, and graphic design services.
