Somerville, MA: 16 July 2008

The Urban Land Institute is presenting a hardhat tour and discussion of Patriot Place on July 17th at 4:15 in Foxboro, MA. The insider event will focus on the strategy behind Patriot Place, a mixed-use, pedestrian friendly development adjacent to Gillette Stadium, and will be led by the team that is working on the project.

It will include a sports-focused health care facility, hotel, office space, restaurants, theater, major national retailers, and an interactive Patriots museum and hall of fame. With the development's final completion slated for this fall, this tour offers a unique, firsthand opportunity to see it taking shape.

For more information on how to register for the Patriot Place tour, please visit [www.boston.uli.org](http://www.boston.uli.org) or call the ULI Boston office at 617-938-6468.

Arrowstreet is a multidisciplinary design firm providing architecture, planning, interior design, and graphic design services.
